'Talk Boost' Success in P2!

Well done to the eight P2 pupils who recently completed the 10 week Talk Boost Communication Programme. The boys and girls participated in small group activities, with Miss Gallagher and Miss Manson, to develop oral language and communication skills such as sentence building and listening and responding to others. We are pleased to say that the follow-up assessment shows all pupils made significant progress in their communication skills after the programme. Well done to all the pupils involved - a wonderful achievement! Awards will be presented at the next assembly and Miss McAnerney will now meet with a Talk Boost representative from Barnardo's to share the school's progress.

Breakfast

Our healthy breakfast will run until the end of June. Children have enjoyed a wide range of breakfast items this week, including:
*fresh fruit *crackers *breadsticks *cereal
*cheese *frubes *croissants *salami *yohurt
The children can help themselves for 50p.

Sunny Days.....means sun cream
