ROAD OF HOPE

Our primary aim is to provide much needed relief to diverse communities and help ease suffering in countries such as Bosnia, Croatia, Romania and Africa.

Road of Hope operates on a purely voluntary basis and like other registered charities, relies heavily on the goodwill and support of local people. All donations gathered go directly to targeted communities. All involved within Road of Hope are driven by a sense of moral courage coupled with a natural desire to help others.

So far we have:

- Sent humanitarian aid to Africa
- Humanitarian aid to Bosnia, Croatia & Hungary
- Monetary donations to Bosnia, Croatia Romania, Kenya, Tanzania and Zambia.

In 2010 we introduced a new project the Gifts of Hope Appeal. You can purchase a gift from our selection – there is a variety to suit all pockets and areas of interest e.g. mosquito nets and school fees for further info check website.
