Friday Note

Looking back...

What a fantastic evening....that was Tuesday night and our Foundation Stage Literacy workshop. The workshop was informative and totally practical and parents who attended received lots of goodies to help support their child in Literacy at home. Parental feedback was excellent with comments such as...

"An absolutely fantastic session. The practical tasks were so well planned and interesting"

"Really informative evening with lots of great tips to encourage reading at home"

"Fantastic evening! So helpful and worthwhile, full of ideas and tips. I am so glad I came as now I can use these tools at home!"

Thank you so much to those parents who came along and thank you to all of our foundation stage teachers and Mrs Hanna, our Literacy coordinator for preparing such an informative and enjoyable workshop!

Vote for Kevin!

We are delighted that Kevin Gough (Mrs Gough's other half) has been shortlisted in the Translink Ulster GAA Coach of the year....please vote for him following this link:

Pupil Volunteers

Thank you so much to our pupil volunteers, Dearbhla, Felix, Kiera, Eryn, Lucy, Zara, Anna, Maria and Andrew who gave out our Open Night flyers at Masses in St. Patrick's last weekend! I really appreciate their commitment to school life. Well done everyone.

If you could help us out by delivering some flyers around your area, please let Julie know how many leaflets you can deliver and which areas you can cover!

Anti-Bullying Week

We marked Anti-Bullying Week this week with lots of informative workshops and activities across the school. We enjoyed an 'E-Safety' talk from Andy and Rab our community police officers. Pupils from p4 – P7 learned about the dangers of social media and how to stay safe online. Pupils from P7 are currently making their own e safety videos highlighting the dangers of cyber bullying. Pupils will have brought home a copy of our "Care and Respect" booklet. We would really appreciate it if you could take time this weekend to discuss the messages in it with your child.

Attendance

School attendance is a very important part of school life. Research shows there is a clear link between regular school attendance and achievement in school. As Acting Principal, I regularly review the attendance rates of pupils, classes and the whole school and report these figures to governors. At the moment our whole school attendance is 95.2% which is falling lower than our whole school attendance last year. I would appeal to parents to please try to ensure your child attends school. If your child is ill it is important that you ring the school on the first day of illness to let the teacher know and follow this up with a written letter. Attendance is recorded digitally and it is important that teachers use the correct code when recording.

Looking ahead...
